Viking Families—I have had many questions today regarding yesterday’s 2023 USD 330 Mission Valley Board Elections. There were several close races for the open seats. Remember that in the USD 330 school district that during the general election any registered voter in the district can cast a ballot for anyone running for election. Since the USD 330 school district covers (4) counties then the election is not official until all counties have verified the votes. Here are the current “unofficial” results:

Position 1

Shay Foster (Votes–253)
Autumn Wines (Votes–251)

Position 2

Mistina Kraus (Votes–291)
Max Brammell (Votes–220)

Position 3

Leslie Wines (Votes–220)
James Weir (Votes–140)
Tuff Stephenson (Votes–138)

Position 7 (At-Large)

Jacob Durkes (Votes–451)

All counties (Wabaunsee, Shawnee, Lyon, Osage) will need to complete their election process by completing their canvass. The canvass is the official tally of votes for any given election. The purpose of the canvass is to account for every ballot cast and ensure that every valid vote cast is included in the election totals. The canvass accounts for every ballot cast on Election Day, every on-time absentee ballot, every accepted provisional ballot, and every on-time overseas and military absentee ballot. The date that each county has announced to be complete with their canvass are:

Wabaunsee County November 13th

Lyon County November 15th

Osage County

Shawnee County

November 13th

November 20th

We expect official election results to be announced shortly after the date that the last county verifies their results. Thank you to all the Viking Voters who took time to cast your ballot yesterday as a demonstration of your commitment and support to Mission Valley.
