

NAUTILUS WAVE

At Nautilus, we are dedicated to providing a nurturing environment where every student is supported to reach their full potential. Our commitment to excellence ensures success for every student every day, no matter what it takes

Dear Nautilus Families,

October is always such a special time at Nautilus! Our students are working hard, showing leadership, and growing every day. This month we are especially excited to kick off our **APEX Fun Run** fundraising event, leading up to the big event on November 7. The theme "Level UP" will inspire our students with daily leadership lessons while also helping us raise important funds for our school.

I am so proud of the effort and enthusiasm I have seen from our students, staff, and families this first quarter. Thank you for partnering with us to make Nautilus such a positive place to learn and grow. Together, we are ensuring success for every student, every day.

With appreciation, Mrs. Williams

APEX Fun Run is Coming This Fall!

We are excited to share that our Nautilus **APEX Fun Run** is moving from the spring to the **fall!** Beginning **October 27**, students will participate in daily leadership lessons with **TRex Tori**, all leading up to our big **Fun Run event on November 7**. This year's theme is "**Level UP**," encouraging students to grow as leaders while having fun.

The APEX Fun Run is our **biggest fundraiser of the year**, and we'll need lots of helping hands to make the event a success. **PTSO will be sending out a Signup Genius** soon with volunteer

opportunities. Thank you in advance for your support—we couldn't do it without our amazing Nautilus families!

Part-Time Night Custodian

Nautilus Elementary is hiring a part-time night custodian to help keep our school clean and welcoming. The position is 4:00–8:00 PM, starting **after Fall Break**. **We're looking for a dependable, hardworking, and self-motivated individual. Apply on the district website or call the school office for details.**

Tardies & Absence

Every minute counts at Nautilus towards students receiving a successful education. When a child comes in late, not only do they miss out on the instruction, but it causes a distraction to the rest of the class. Tardies and Attendance do prevent students from missing out on awards. Thank you for having your student to school on time each day!

Taste Of Havasu

This annual family event put on by the K-12 Foundation will be held October 23rd at the Rodeo Grounds. All proceeds raised go towards their mission of giving back to the schools. Further information can be found here: <https://www.golakehasasu.com/a-taste-of-havasuoctober-2022>
