

School Volunteer Interest Form

In an effort to provide for the safety of our students, Spartanburg School District Seven conducts background checks on all employees and school volunteers. Once this form is submitted to the school, you will receive a web address and access code to complete your background check (District Seven covers this cost). Once completed, you and the school will be notified of your clearance to begin volunteering (this approval will remain in effect for one year).

Thank you for your willingness to serve in District Seven!
