Hermon School Department

TUTORING FOR PAY

To assure all students reasonable assistance without charge from their own teachers and to avoid placing a teacher in a position where he/she may have a conflict of interest, teachers shall not be permitted to receive money for tutoring any student they have in class or upon whose evaluation or assignment they will be called upon to pass during a given school year.

Teachers may not tutor any student for pay during their regular working hours or on school premises or during other employment requirements as listed in the collective bargaining agreement.

The Hermon School Department is not responsible or liable for any private agreements between parents and teachers.
