Welcome Back Cyclones!

Welcome to the start of a new school year! We're excited to launch the first issue of our monthly West Prairie Junior/Senior High School newsletter, where we'll share what's happening in our building, celebrate student and staff achievements, and keep you informed about upcoming events, deadlines, and opportunities.

As the new principal and assistant principal, we're honored to join the Cyclone family and serve such a strong, supportive community. Our goal is to build on West Prairie's traditions while working together to create new opportunities for growth and success—both in and out of the classroom.

We look forward to using this newsletter as a way to connect with you each month, highlight the amazing things happening here, and keep everyone informed and engaged. Thank you for your continued support—we can't wait to see what we accomplish together this year!
