Public Schools of Edison Township

Curriculum, Technology and

Student Achievement Committee Meeting

Date: September 18, 2024, 4:30 p.m.

Location: Virtual

In attendance: Biral Patel (Chair), Baninder Goomer and Richard Cohen

Notes:

- Mr. Cohen and Ms. Goomer reviewed the curriculum guides (listed below) that were revised this summer and provided information about why the revisions took place.
- K-12 ELA and Math Curricula were revised due to new standards required by the NJDOE.
- In ELA many of the existing standards were broken down even further and in math some standards were moved as well as added.
- G&T Kindergarten push in units were added as we continue to grow the critical thinking program.
- New elective courses at the Middle School level curriculum documents were written: Forensic Science, Public Speaking, Photography, Student Enterprise (Business Entrepreneurial) Theatre, Digital Design Studio, Form and Fire and Make, Create and Innovate
- Science courses were revised to include Climate Change mandates
- AP courses were revised to reflect to AP syllabi updates from College Board
- STEM Course revised to reflect latest technology and include interdisciplinary and innovation projects
- A number of elective courses at high school were updated to reflect new standards
- New World Language course curriculum were written: Spanish Communication and Culture and Spanish Heritage
