Mission Statement

At Paisley, it is our mission to foster an inclusive space that is committed to educating all students for academic success, global learning, and character development.

Vision

To be the premier academic experience that models the IB Mission every day in every way!

Goals and Objectives

- To provide access to an internationally recognized academic programme for curious and motivated students;
- To stimulate and strengthen students' curiosity;
- To teach students to recognize relationships between school subjects and the outside world;
- To foster students' ability to combine knowledge, experience, observation, and critical thinking; and
- To foster students' growth towards self-reliance and responsible participation.
