What skills and abilities do you have that you feel will serve you well in your service as a trustee on the Board?

13 years of service in public schools including experience as a classroom teacher and district literacy coach, brings relevant, first-hand insights from the education field into decision making.

Enthusiasm for literacy, curriculum, and instruction. I am a strategic thinker with the ability to see trends to solve problems. I am a strong communicator which facilitates community ties and trust.

What knowledge or prior district involvement do you feel will serve as an asset during your term?

Extensive professional development including educational policy fellowships, school finance workshops, and school board leadership training across the state of Texas as a master trustee

designated by the Texas Association of School Boards. During my first term, I cultivated relationships with Spring ISD students, staff, educators, and community members. I will continue to build these relationships to align my board work with our community's needs and desires
