September 21, 2023

Dear Class of 2024 Students and Parents,

As we embarked eight years ago, we started a new tradition at Logansport High School with the Distinguished Graduate Program. We feel the program has allowed our students to thrive academically and within service, leadership, and extra/co-curricular activities by better preparing for college and career readiness.

### What is the Distinguished Graduate Program?

The Distinguished Graduate Program is a recognition given to the top 10% (Approximately 30 students) of seniors on the **Academic Honors Diploma** who score the highest number of points from the rubric on the back. Approximately ten students will receive the highest recognition of distinguished graduate, while the remaining approximately 20 will receive the honor of commended graduate. The purpose is to recognize students who excel in academics, service and leadership, and extra/co-curricular activities. Those seniors achieving distinguished and commended graduate will receive special recognition at graduation. Commended graduates will wear stoles, while distinguished graduates will wear stoles and medals.

As we advance, students and parents should review the rubric and worksheet information on the LHS website. This information may be found at [lhs.lcsc.k12.in.us](http://lhs.lcsc.k12.in.us) under Menu > For Students > Distinguished Graduate Program. If you have not already, I encourage you to print off the worksheet and write down what has been accomplished to this point. At the beginning of the second semester, the online submission page will be available. The deadline for applying is Friday, February 16, 2024, at 3:30PM. As a reminder, this program is voluntary and up to the student to track their information and apply in February. Since there is no more class rank, which was the criteria for our annual Pillar of the Community program, the top 10 point earners of Distinguished Graduate will participate in Pillar Dinner and recognize their influential educator on Sunday, May 5, 2024.

If you have any questions about a specific activity counting or the program, please feel free to reach out to me at [jonesm@lcsc.k12.in.us](mailto:jonesm@lcsc.k12.in.us) or call at 574-753-0441, ext. 20505.

Sincerely,

Matt Jones
