## SGO DONATIONS TO LEHMAN CATHOLIC HIGH SCHOOL

### Participation in an SGO – A win for Lehman!

In 2021, the state of Ohio passed legislation that allows for the establishment of SGOs. SGO stands for Scholarship Granting Organization. Scholarship Granting Organizations provide an opportunity for donors to use their tax dollars to provide tuition assistance to eligible families and their students. The ability to participate in an SGO for schools is another way for private schools to assist their families and students. This funding is above and beyond the EdChoice Scholarships funding that Lehman receives and can provide additional funding for any family attending Lehman High School.

### Donations to the SGO – A win for donors!

A tax credit is available under section 5747.73 of the Ohio Revised Code for qualified donations to “scholarship granting organizations” certified by the Attorney General. Donations of up to \$750 per individual qualify for a tax CREDIT from an Ohio individual taxpayers aggregate tax liability. In other words, Ohioans who donate to a qualifying SGO are designating their tax dollars for tuition!

The maximum donation that qualifies for a tax credit is \$750 for an individual. Married couples filing jointly may donate \$750 each, for a total of \$1500 tax credit on their annual return. The tax credit may not exceed the individual’s (or married couple filing jointly) Ohio tax liability. Donations that exceed the annual Ohio tax liability may claim the difference between the donation and the tax liability as charitable giving on their federal tax return.
