Employment Opportunity

Scratch Cooking Assistant

Harrington School District received a Healthier Meal Incentives Grant that will help transform district meals to include more scratch cooked and local food ingredients. We are looking for a person who is passionate about child nutrition to join our foodservice team and help with this transition!

Job Description

The Scratch Cooking Assistant will prepare local foods for use in school foodservice as the district transitions to the use of more local and whole food ingredients. Responsibilities include planning, organizing and participating in the preparation, cooking and baking of a variety of foods in quantity. This position will include the preparation of from-scratch breakfast entrees and pre-preparation for lunch. Lunch responsibilities will include processing local ingredients, such as trimming and chopping vegetables, cooking raw meat, and preparing sauces and dressings. Individuals are expected to maintain high standards of sanitation to meet all health code regulations including the cleaning of utensils, equipment and facilities and assuring the proper storage and handling of foods. Heavy lifting of food items up to 50 lbs may be required. The Scratch Cooking Assistant will be expected to keep daily production records of work that is accomplished in the kitchen.

Work Experience

Commercial cooking experience preferred.

Credentials

Food safety training is required upon hire. Including at a minimum, food worker card.
