"Paws in Time"

Our school mascot is the proud and mighty lion. While we each are Fayetteville Lions, we are also part of the school, and hence, part of the mascot. Our yearbook's theme is "Paws in Time", so let's imagine ourselves to be the "paws" of the lion.

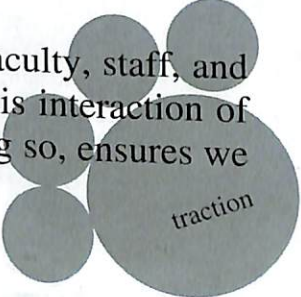

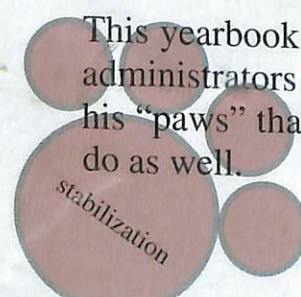

The lion's four paws serve a number of functions: support, direction, stabilization, and "traction". Likewise, we all give the school these same functions through our being, and the school does the same for us in return.

Go to a volleyball, basketball, or baseball game, listen and watch for the support given to our Lions and Lady Lions as they play. Attend an Ag program, or a One Act Play performance, and see the support for the participants. This support comes from students, parents, faculty, staff and administrators. Similarly, the students, parents and faculty suggest things for the school to take part in and, if the activity can be sponsored and funded, the administration approves it. Lastly, student success and achievement drives the school forward, and continuation of that success is a stabilizing factor upon the school.

How does the school return the favor? It supports its teams, organizations, and activities with funding, sponsorship and time. Think back to the Christmas program and the hours and hours of planning, teaching, rehearsing, and decorating. While you may think that all of that effort was only for the program, consider what it taught everyone involved—taking direction, doing one's part, and working with others. Collectively, those three things are a major part of life. Finally, the school gives a stabilizing effect for all in its care—a set start time, set time for classes, and rules to follow, plus the "traction" for getting started in life, whether it be working, learning a trade, or attending college.

This yearbook will show countless examples of students, faculty, staff, and administrators interacting with each other. It is through this interaction of his "paws" that the Fayetteville Lion succeeds, and by doing so, ensures we do as well.

CLASS OF 2010
"We do what we want"

Congratulations Robert

Follow the voice of your spirit.
Remember to dream.
Listen to the wisdom of your soul.
Dance to the music in your heart.
And always know we are proud of you.
God bless you always.

Love
Dad, Mom, and Chris

Leonor,

It is hard to believe that you are graduating. It doesn't seem that long ago that you were just a kid pretending to be a teacher or running around outside acting like a power ranger or super hero. You were always the curious child. Sometimes that curious mind got you into trouble, but other times it allowed you to learn things you couldn't even imagine. You have grown into an incredible young adult. We hope you continue to learn and grow wherever life may take you. Don't forget the little and important things in life. If you ever find yourself in a tough situation just remember:

"Racing teaches us to challenge ourselves. It teaches us to push beyond where we thought we could go. It helps us to find out what we are made of. This is what we do. This is what it's all about." - unknown

Love, Mom, Dad, Jose, Rusty, Fidel, Kelly, Paul, Jason & Granny

Haley,
The years have flown by too quickly. It seems like yesterday was the day you came into our lives with your beautiful smile. Take a look at you now! We are so proud of the young lady you have become. You have a heart of gold! Everyday you surprise us with your ambition, dreams, and determination. Always keep your faith in God and keep him by your side. Follow your dreams, fulfill your goals, and reach for the stars.

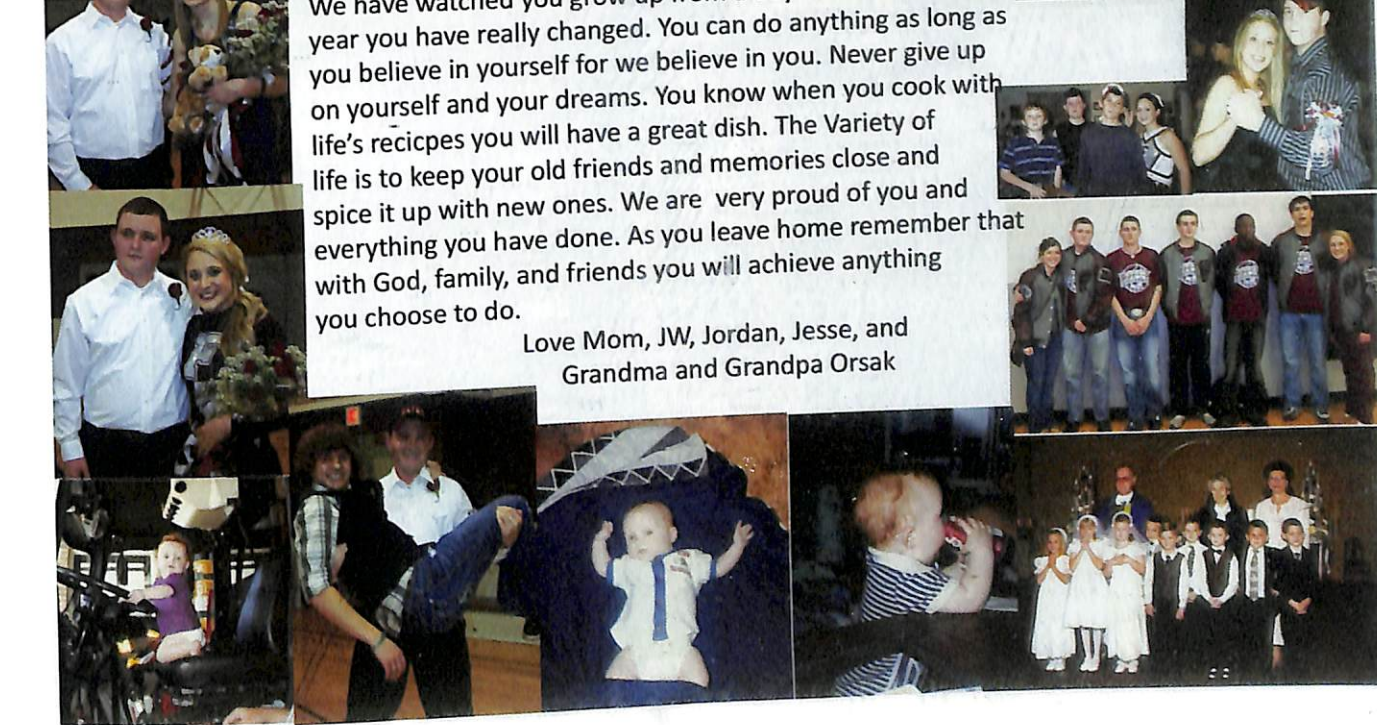

"I Can Do All Things Through Christ Who Strengthens Me"
Philippians 4:13

We love you Haley!
Dad, Mom, Karley, Jayme, Granny & Papa

We have watched you grow up from a boy to a man, but this year you have really changed. You can do anything as long as you believe in yourself for we believe in you. Never give up on yourself and your dreams. You know when you cook with life's recipes you will have a great dish. The Variety of life is to keep your old friends and memories close and spice it up with new ones. We are very proud of you and everything you have done. As you leave home remember that with God, family, and friends you will achieve anything you choose to do.

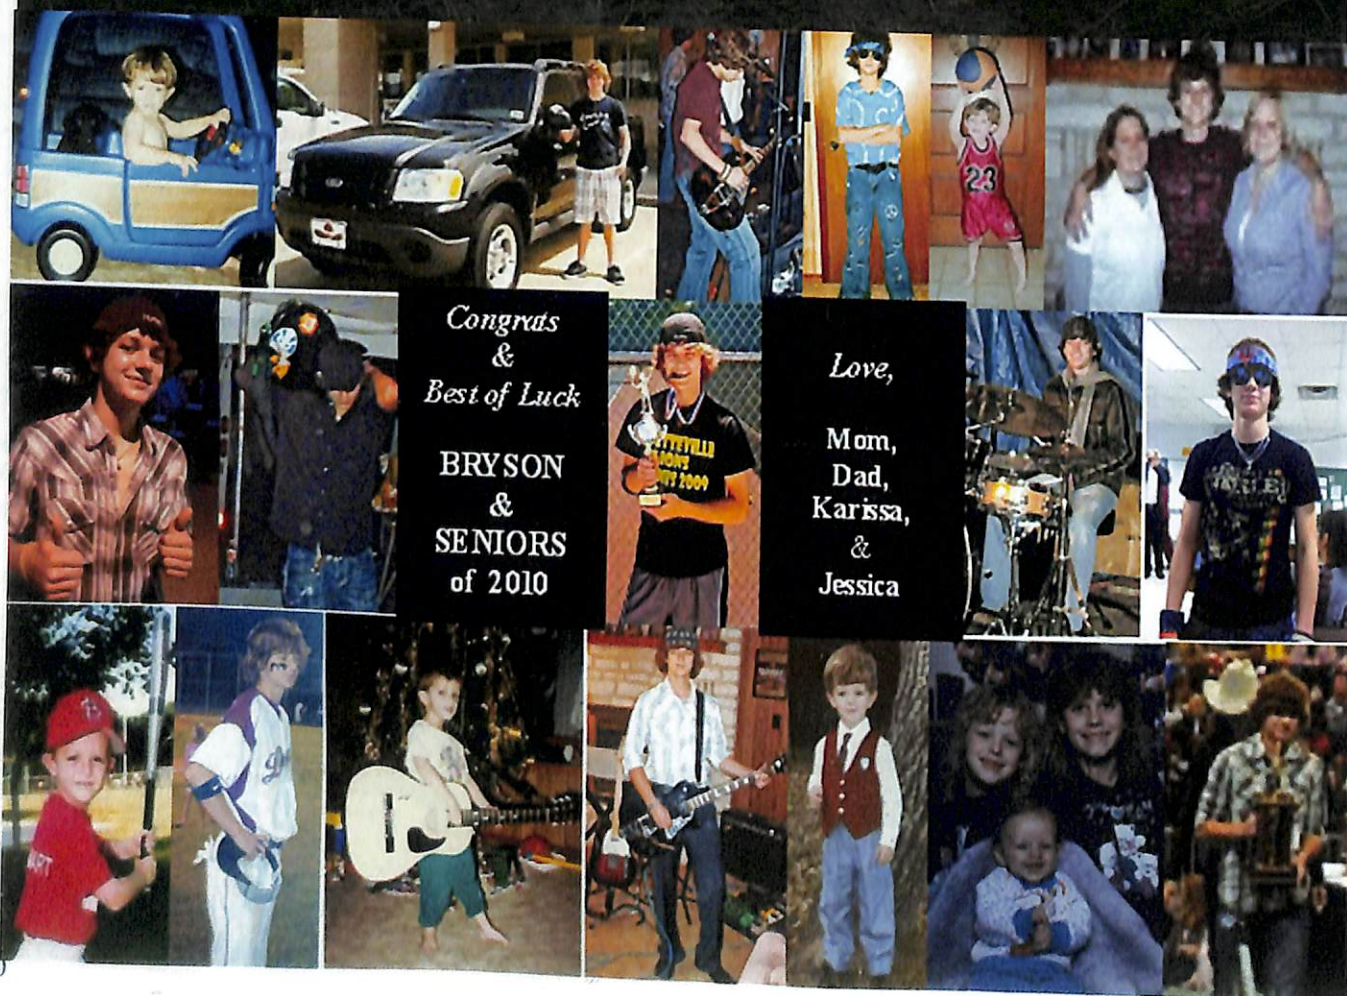

Love Mom, JW, Jordan, Jesse, and
Grandma and Grandpa Orsak

When you finally fly away...
 I'll be hoping that I served you well
 For all the wisdom of a lifetime
 No one can ever tell
 But whatever road you choose
 I'm right behind you, win or lose...

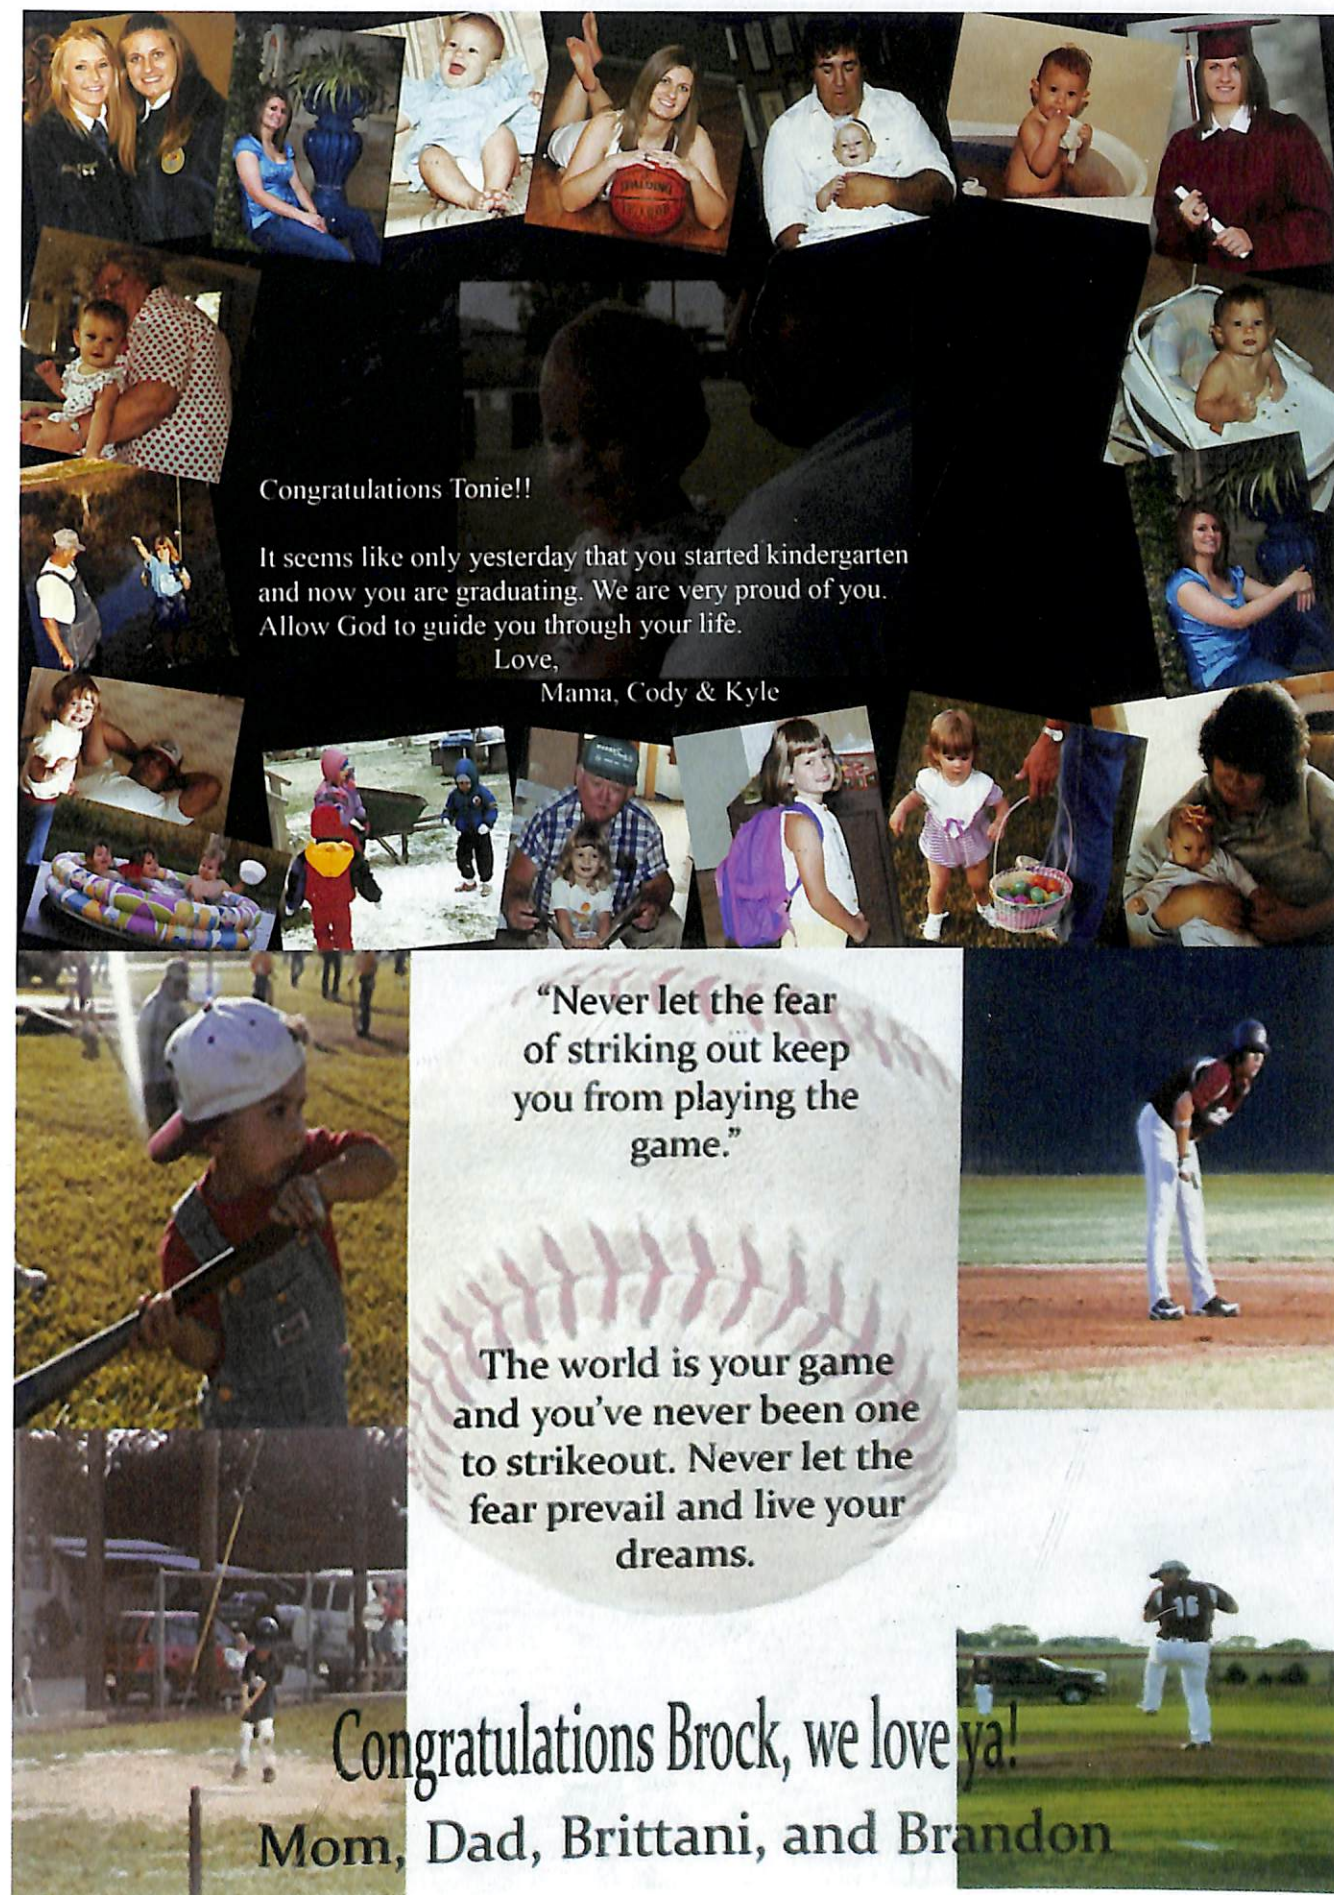

My cup runneth over,
 Dad & Mom

Congrats

 Best of Luck

Poems to Help My Son Be Strong Along the Path of Life

Always keep your goodness
and never lose your love.
For then you'll be
rewarded with success
in ways you never dreamed of.

You don't have to be a giant
to be strong, tall, and proud.
All you have to be...
is someone people look up to.

You've got a big heart.
Keep it filled with happiness.
You've got a fascinating
mind.
Keep finding new ways
to grow.
Keep yearning. Keep learning.
Keep trying. Keep smiling.
And keep remembering that
a parent's love goes
with you...
everywhere you go.

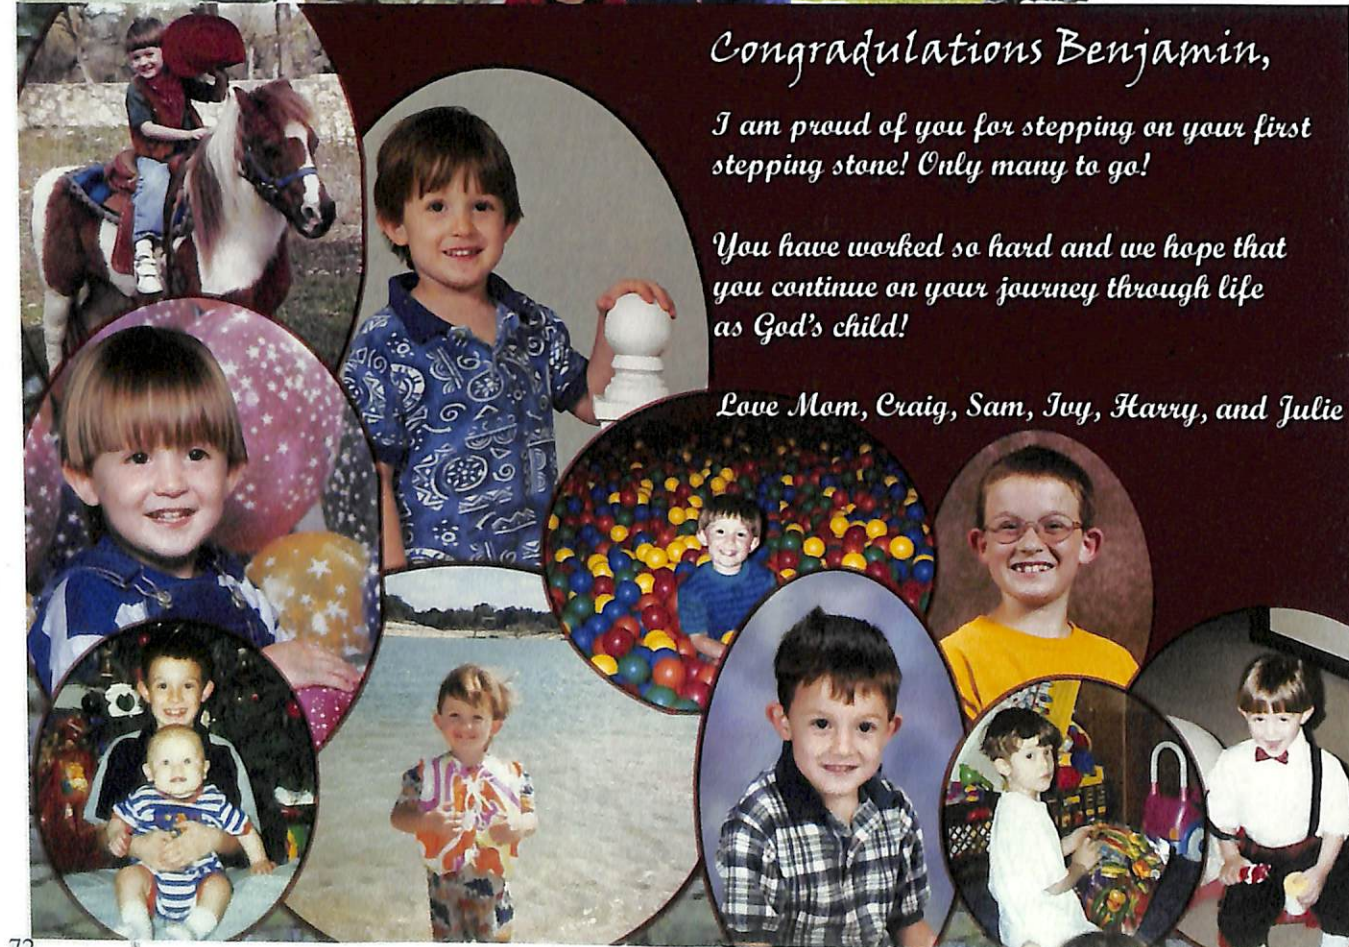

~ Douglas Richards

Congradulations Benjamin,

*I am proud of you for stepping on your first

*You have worked so hard and we hope that

as God's child!*

Love Mom, Craig, Sam, Juy, Harry, and Julie

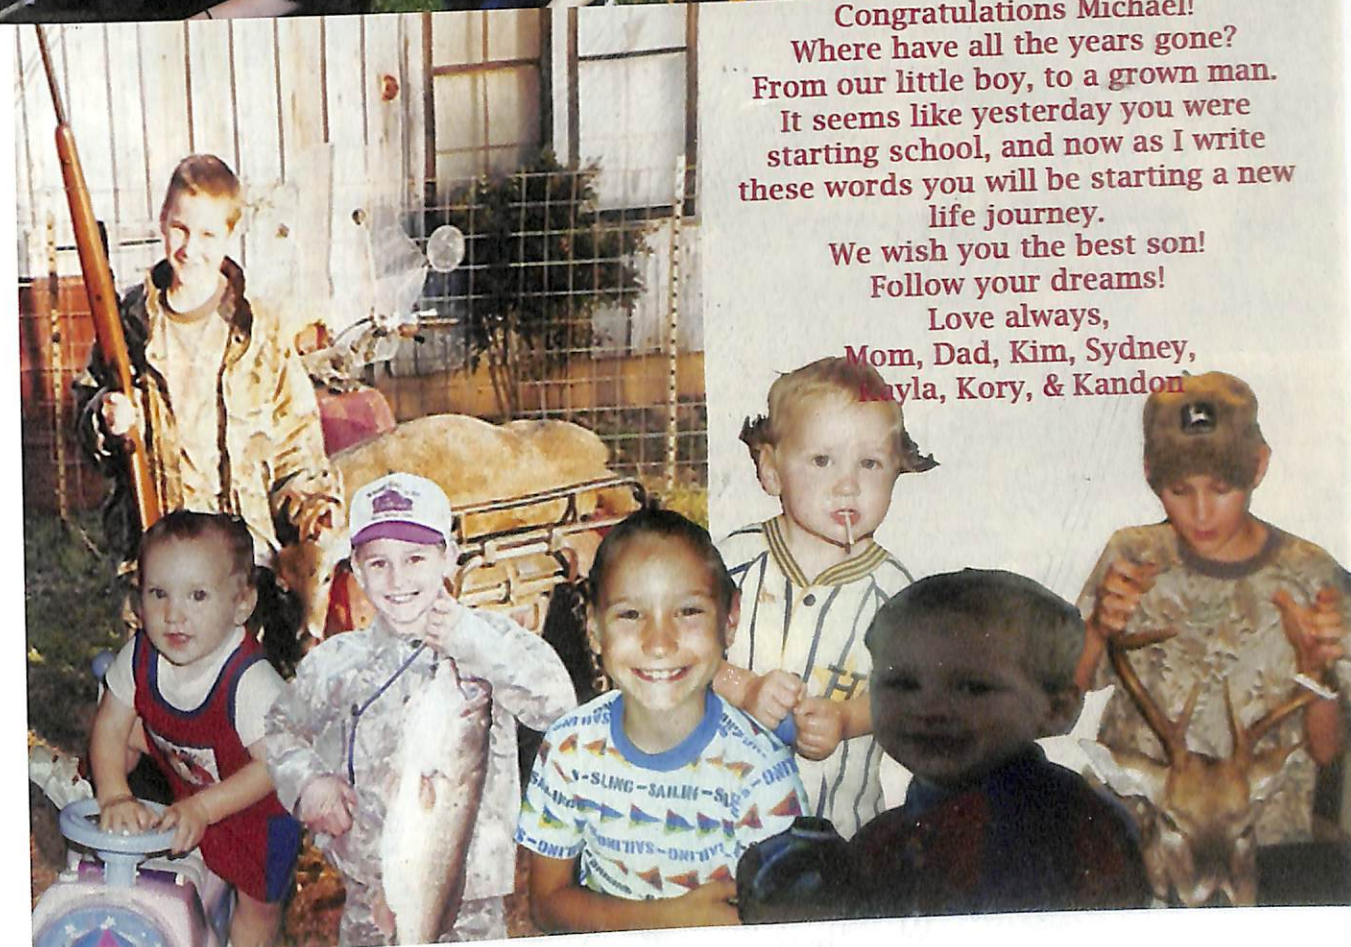

Congratulations Madison!
Take the path less traveled
by and follow your heart.
We love you,
Mom & Dad

Where have all the years gone?
From our little boy, to a grown man.
It seems like yesterday you were
starting school, and now as I write
these words you will be starting a new
life journey.

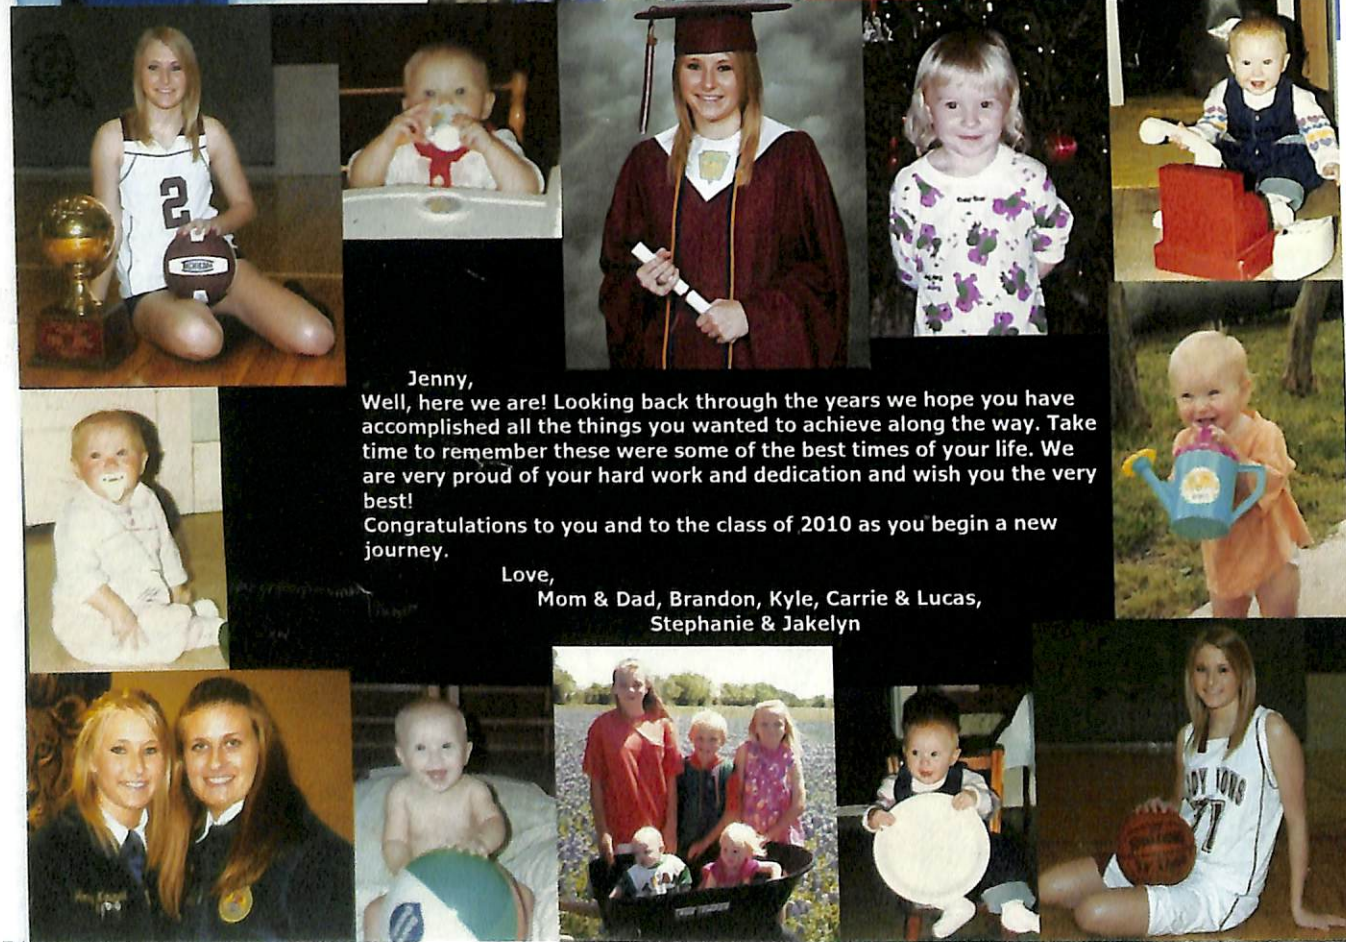

We wish you the best son!
Follow your dreams!

Love always,
Mom, Dad, Kim, Sydney,

Through the years we have watched
you grow up to be such a beautiful, mature
young lady. You have made our lives so
special. As this door closes in your life,
another one will open and we
know you will make the right decisions
to make it the life you want to live.
May all of your dreams come true!
We wish you the best,
We love you with all of our hearts

Dear students,
This is a bittersweet letter that I send to you. I will be retiring from Fayetteville Schools as of May 31,
2010. The past 35 years here have been a blessing to me. For more than half my life, I've been here with
you and those who came before you. I've seen lots of you as infants and have enjoyed watching you grow
and mature into graduating seniors.
I, too, have seen this school change from the "old days" to now. This school used to look so different than
it does now. My favorite building is the red building-it holds lots of memories for me.
What hasn't changed so much is the fact that you kids brought me so much joy. For the most part, you
have always been respectful and eager to learn. I loved teaching each of you that came to my Kindergarten
class, my high school math classes, the biology class, my second, fourth, and fifth grade classes, and all
the junior high students in the One Act Plays. There were trying times, but mostly, I always looked
forward to coming here to teach daily. I never called it coming to work- but rather, coming to school. I
learned a lot from each of you, too. Thank you for that. You truly were (and are) a blessing to me. I will
never forget you.
My hope is that you continue to bless Fayetteville School. Work hard. Don't give up. Don't cheat. Be
polite. Be respectful to friends and teachers alike. Reach for the stars—you'll go far. Never say you can't
do something that you really hope to achieve. Only you can let others intimidate you.
One last thing....you have had some really good teachers. You may not realize that now, but someday you
will know how hard we work for you. You are the reason we come here. Be nice and try your best.
I do hope to return to this school- maybe in a substitute position.
Who knows.....
I just may come back to stay!!
Love, Mrs. K (Kahanek)
