

Dual Enrollment Information Session

Coastal Pines Technical College

What is Dual Enrollment?

- ▶ Dual Enrollment is a program that allows high school students to earn high school and college credit simultaneously
- ▶ It is designed for highly motivated, self-directed, high school students to jump-start the training that they need to finish a degree and/or find a job following high school graduation, all while offsetting the monetary cost of higher education.
- ▶ Tuition, fees, and books are covered for the first 30 hours for those who meet eligibility requirements.

Eligible Students

- ▶ 9th grade - self pay only
- ▶ 10 grade - CTAE is funded; must self-pay for AP DE courses
- ▶ 11th & 12th grade - all courses are funded until the student reaches their 30-hour cap. After they have maxed out of hours, they have the option to self-pay.

How to Apply

- 1) Apply for Admissions at coastalpines.edu
 - 1) Students should use their gx email
 - 2) One time ONLY!
- 2) Apply for Dual Enrollment funding at gafutures.org
 - 1) 9th graders & 10th graders in self-pay courses do not need to complete this step.
 - 2) Do this YEARLY!
- 3) Link to Step-by-Step Application Guide:
 - 1) Camden County High School Website → Guidance & School Counseling → Dual Enrollment

How does registration work?

- ▶ The DE coordinator uses Infinite Campus to see who is in a DE class.
- ▶ We then verify that each student has completed their admissions application, funding application, and has enough DE hours left.
- ▶ If the student has completed everything necessary, they are registered and moved to a DE roster in Infinite Campus.
- ▶ If after a few weeks you do not notice DE or Dual Enrollment in Infinite Campus for your class, it is your responsibility to contact your DE coordinator to see what you are missing
 - ▶ Do NOT wait until the end of the semester to inquire about why your class is not listed as DE!

Self-Pay Information

- ▶ Students have the option to self-pay after they have exceeded their 30 hours of free Dual Enrollment funding.
- ▶ Tuition is \$107 per credit hour.
- ▶ Please do not attempt to make a payment before your DE coordinator has registered you and you have turned in the appropriate self-pay forms.
- ▶ You can call the CPTC Bookstore 912.522.4516 to make your payment
 - Monday - Thursday 7:30 - 5:00
 - You will need your CPTC Student ID and Amount Owed (the bookstore does not have a record of the amount you owe - only the DE coordinator)

FAQ

- ▶ How do I change my schedule?
 - Your DE coordinator has no control over your schedule. You must follow the high school's guidelines and procedures.
- ▶ Is there a paperwork deadline?
 - YES!! The deadline to have paperwork submitted for Fall 2025 is **September 25th, 2025**. The deadline for Spring 2026 is **February 26th, 2026**. If you do not have your admissions applications and/or Ga Futures complete by the deadline you will not be eligible for DE credit.
- ▶ Is there a payment deadline?
 - YES!! The deadlines are:
 - **Underclassmen:** 1/3 payment **Sept. 4th** (FALL 25) & 1/3 payment **Jan. 29th** (SPRING 26). Final payment due before end of each semester.
 - **Seniors:** FULL payment **Sept. 18th** (FALL 25) & FULL payment **Feb. 12th** (SPRING 26).
 - Note: These deadlines will be stated on the self-pay paperwork that is sent home with your student.
- ▶ I'm a returning DE student, do I have to apply again?
 - You only need to do the admissions application once; however, you must submit a GaFutures Funding application once every school year.

- ▶ How can I check how many hours of funding I have left?
 - We recommend that students keep track of how many hours they have taken. The best way to verify is to contact their coordinator.
- ▶ Can I get a copy of my transcripts?
 - Yes, you can request an official copy of your Coastal Pines transcript online at parchment.com
- ▶ Will my dual enrollment credits transfer?
 - There are 38 courses with direct transfer credit to USG institutions. For all other courses, we suggest checking out specific institutions transfer equivalency page.
- ▶ Are there any scholarships available?
 - Currently the HOPE Career Grant is the only available scholarship. HCG is only available to students who have reached their 30-hour funding cap and only applies to certain DE classes. Please email your DE coordinator for more information.
- ▶ Can I take summer classes?
 - Yes. You can take any of our approved courses online or in person over the summer. You will need your guidance counselor to approve your courses in Ga Futures before you are dismissed for the summer. Please see your DE coordinator on how to get registered for summer term.
- ▶ Is there a Google Classroom with helpful information?
 - Absolutely! The code to join is: **tac5ttqa**

Dual Enrollment Contact: Valerie Amerson

- ▶ Email: vnamerson@coastalpines.edu OR vamerson@gx.camden.k12.ga.us
- ▶ Office: 912.510.2079
- ▶ Cell: 912.282.9036
- ▶ Location: 10-12 Building/D-16
- ▶ Dual Enrollment Forms, Application Links, Coastal Pines and Transfer information can be found on the school website:
 - Camden County High School Website → Guidance & School Counseling → Dual Enrollment
