Non-fat Milk

THANKSGIVING LUNCH

On Thursday, November 13th, students will be treated to a traditional Thanksgiving lunch with Slow-Roasted Turkey, Cornbread Dressing, Cranberry Sauce, and so much more! We hope you are excited to dine and give thanks with us! Our school nutrition program would not be here without your participation on a regular basis, so **THANK YOU!**

HARVEST OF THE MONTH: SWEET POTATO

Join us in trying the harvest of the month, **SWEET POTATOES**, on Thursday, November 13th. We will be serving honey-glazed sweet potatoes as part of our Thanksgiving Lunch! Did you know that Georgia is the perfect place to grow sweet potatoes? Long, hot summers help them to grow and mature well. Maybe you should add them to your meals at home or plant some next summer, so you can harvest your own sweet potatoes next year!
