## **EQUITY PROCEDURES FOR EMPLOYEES/APPLICANTS/STUDENTS**

Sarasota County Schools offers multiple career and technical programs wherein students may earn industry certification. The district prohibits discrimination in the terms and conditions of employment, and in access to educational programs and activities, and prohibits harassment of any individual or group on the basis of race, color, national origin, religion, sex, age, disability, marital status, sexual orientation or genetic information (and other protected classes included in the district's nondiscrimination policies). Lack of English language skills will not be a barrier to admission and participation. The district may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation. Any person who believes he or she has experienced any such prohibited discrimination may file a complaint with the district Equity Coordinator by calling (941) 927-9000, or by writing to 1960 Landings Blvd., Sarasota, FL 34231.

Some programs take longer than 2 years to complete, therefore, after graduation, returning students will complete the adult application process, pay fees and remaining tuition.

### TRANSPORTATION

Limited school bus transportation is provided but MUST be identified on application. \*Charter, home, and private school students must provide their own transportation. Sarasota County Breeze Transit (Breeze Transit) stops at the STC Sarasota Campus. Students may drive their own vehicles. Students in health programs are required to provide their own transportation to clinical sites.

### ATTENDANCE

In accordance with Florida Statute 1003.24, a child's attendance in school is the responsibility of the parent or legal guardian.
