Sibling Discount: \$75 for each additional sibling

3RD - 8TH GRADE (for 2024-2025 school year)

June 10, 11, 12, 13, 14, 17, 18, 19, 20, 21

(10 DAYS)

9:00 - 11:00 a.m.

OFFENSIVE BASKETBALL SCHOOL is designed to work on improving your game with repetition of the offensive skills of shooting, passing, and ball handling. This school is for any boy or girl interested in working on the fundamentals of basketball to help improve their game and heighten ability level.

OFFENSIVE BASKETBALL SCHOOL will feature instruction in all basic offensive fundamentals of shooting, passing and ball handling. Repetition on shooting, working from the triple threat position, as well as coming off screens, shooting off the dribble, and just catching and shooting the ball will be areas of concentration. Time will also be spent at the free throw line and improving shooting percentages. Ball handling skills will include the jab & go, the crossover, and change of pace: all moves to help create space for you as a player to become better. Passing skills will include one-handed pass, two-handed pass, feeding the post, and passing from the post area, along with other situations.

Players will also be placed in small learning groups and competing daily in live 1/1 and 3/3 competition. We feel this is the best way to incorporate the individual skills being taught and learned throughout the camp.

Our school has had a great tradition of producing outstanding basketball players; accomplished through hard work, discipline, and dedication. After 10 days of workouts, we feel that noticeable improvements in offensive skills should be apparent. Good players work daily to improve their game, so continuation of the drills provided during school will produce a much better player.

Parents are welcome to observe camp, watching their son/daughter participate in fundamental drills.
