Community Council Standing Agenda- Tuesday, January 10, 202

Bluff Ridge Elementary Library

4:00 PM Welcome

1. Approval of Minutes – will need to print out and approve next meeting

2. Community Items

- Parking Lot/Drop Off Issues – two new right only turns signs have been installed. The city has said they do not want to get involved in a traffic study to change the turning on Gordon, so we need to make it work. The parking lot of the park is not a drop off, it is a parking lot, they are not interested in making it a drop off zone. City has also requested that we do not swap the bus loop due to the ability of the queue moving onto Gordon Ave.

- Replace 1 Member of Community Council- Erin Corbridge has resigned; suggestion was made for the next person on the voting total to be offered to join. Will reach out to Amy Unck.

3. Teacher/School Items

- Review of MOY Acadience Math Data – Reviewed a PowerPoint with benchmark scores for K-3. Review of changes in benchmark goals for BOY to MOY, and these grade levels has shown improvement and held the focus for our at-risk students. 4-6 does not do this test.

4. TSSP Budget – reviewed budget and shared all monies are allotted and should be spent. We will still need to focus on how to balance the current TA's, the need for a possible classroom reduction teacher, and the limited funds.

5. TSSP Plan – look at possibility of after school programs in the arts. We will look at reading next month and start the direct of the plan for this Council.

5:00 PM Adjournment
