

Dear Parent or Guardian,

**Johnson School Bus Service** will be using a new parent app, Stopfinder, starting in November. Stopfinder is the easy to use, all-in-one app that allows you to have the most accurate information about your student's bus schedule at anytime from anywhere. In addition to displaying your student's transportation information, Stopfinder features a private messaging feature that will allow you to communicate directly with the **Campbellsport School Districts** Transportation Department.

The email address that is currently on file with the district, the address used for this communication, will be used for Stopfinder setup. Please contact the **Campbellsport School District Admin** or **Johnson School Bus** to make a change to your primary email address prior to November 10<sup>th</sup>!

Stopfinder can be downloaded for free from the App Store or Google Play. Stopfinder will require an invite and registration through the district prior to accessing your student's transportation schedule. Please watch for a Stopfinder invitation between Nov 10 and Nov 17. Please contact **Johnson School Bus Service** with any questions.
