

# EDEN LIONS CLUB

In 1976 the Eden Chapter of the International Club was established. We are in our 47th year of serving the Eden area community. Our club membership is composed of many members of the community. The purpose and ambition of our club is to serve as a civic organization by improving the quality of life in the community, and to attend to those in need. Funds raised by our organization for the most part remain in our community. Projects we support have either established or improved facilities within our community.

Always of concern are those in need in our community and through our club we do provide for them. We also support other efforts in the State of Wisconsin, across the United States, and internationally. Our members are all volunteers, serving because we all share a common thread-that through our efforts we can make a difference in the quality of our community and the lives of our neighbors.

\*\*\*\*\*

Many scholarships are available to you. The Lions Club, as a civic organization, feels that a factor in selecting those to be awarded our scholarship is the applicants' involvement in civic activities. To that end, please focus on your civic activities whether performed through your school, church, organization(s), or community.

\*\*\*\*\*

This "Scholarship Application" should be submitted to the respective High School Counseling office. Please comply with the deadline established by the Counseling office.

\*\*\*\*\*

The Eden Lions club will only consider scholarship applications that are **complete and submitted by deadline**. You must submit the following:

1. Completed scholarship application
2. Copy of your most recent transcript
3. Picture of yourself

Optional: You may submit a separate one (1) page writing with the application.

# Eden Lions Club Scholarship Application

## Qualifications/Guidelines

Application is based on (top priority) the student's family affiliation with service clubs in Eden community, such as the Fire Department, Lions Club, and/or other service clubs in the area. Also consideration in the selection process will include involvement in local service clubs, fundraisers and family support of these annual fundraising events.

Applications to include any two or four-year program or technical college/trade school.
