In 2006 the Campbellsport Chapter of the International Lions Club celebrated their 75<sup>th</sup> year in our community. Our club membership is comprised of many members of the community. The purpose and ambition of our club is to serve as a civic organization by improving the quality of life in the community, and to attend to those in need. Funds raised by our organization for the most part remain in our community. Projects we support have either established, or improved facilities within the community. Always of concern are those in need in our community and through our club we do provide for them. We also support other efforts within our state, across the United States, and internationally. Our members are all volunteers, serving because we all share a common thought, that through our efforts we can make a difference in the quality of our community and the lives of our neighbors.

Many scholarships are available to you. The Lions Club as a civic organization feels that a factor in selecting those to be awarded our scholarships is the applicants' involvement in civic activities. To that end, please focus on your civic activities whether performed through your school, church, organizations, or community.

The Campbellsport Lions Club will award this scholarship to a graduating senior of Campbellsport High School. The scholarship will be paid upon the scholarship recipient providing verification of completion of their first year, and enrollment for their second year of a post high school educational program. You must be enrolled as a "full time" student under the definition of the particular school.

Date Due: April 5, 2024 at noon in the counseling office.
