

## **Larry Martiny Servant Leader Scholarship**

**Sponsored by Pieper Electric, Inc.  
Administered by Fond du Lac Area Foundation**

This scholarship is meant for that special student who lives their life following a commitment to Servant Leadership. Servant leadership is a philosophy and set of practices that enriches the lives of individuals, builds better organizations and, ultimately, creates a more just and caring world. Larry Martiny, for whom the scholarship is named, exemplified the Servant Leader in his forty plus year career in the Electrical Construction industry.

In addition, the recipient of this scholarship will exhibit the following character traits: integrity, honesty, positive work ethic and creating a positive moral impact on those around them. Larry Martiny demonstrated these positive character traits throughout his life. He set an example from his years at Campbellsport High School (CHS) as a standout athlete: State Champion in Cross Country, Track, Wrestling and Baseball. After graduating from CHS, he became an Electrician Apprentice, Journeyman Electrician, Project Foreman and Project Superintendent. He participated in and led many major construction projects during his long career at Pieper Electric.

Each year, the Larry Martiny Servant Leader Scholarship will financially assist a Campbellsport High School graduate as that student pursues higher education at a Community College or Technical School. The student will be pursuing a career in the Building Trades, Technical/Industrial career or some other Hands-On career of their choice.

A student can receive the Scholarship only once in their post high school education. It will be in the amount of \$500.00 to the student who best exemplifies the character traits and values that guided Larry Martiny throughout his life.

Completed applications should be submitted, by mail or in person, to the Campbellsport High School Counseling Office by **April 15**.
