

7:192 Suspicion-Based Drug and Alcohol Testing Policy

The Board of Education recognizes that drug and/or alcohol testing of an individual student may be appropriate when there are reasonable grounds to suspect that the student is violating the board of Education's policy prohibiting the possession or use of drugs or alcohol while on school grounds or at a school-related activity. The Board of Education authorizes drug and alcohol testing of students based upon such reasonable suspicion of drug or alcohol use.

The Administration shall establish rules and regulations to implement this policy in compliance with applicable laws governing drug and alcohol testing of students.
