HELPING CHILDREN IN NEED SLEEP BETTER

We fully believe that a bed is a basic need for the proper physical, emotional, and mental support that a child needs. When it was brought to our attention that the need for beds went far beyond our own neighborhoods, we stepped up and took initiative. We're a national organization answering the call to a national problem.

All children deserve a safe, comfortable place to lay their heads. In Idaho and across the U.S., too many boys and girls go without a bed – or even a pillow – to sleep on. These children end up sleeping on couches, blankets, and even floors. This can affect their happiness and health.

That's where Sleep in Heavenly Peace comes in. We're a group of volunteers dedicated to building, assembling and delivering top-notch bunk beds to children and families in need. Our organization has grown steadily over time, and we're working on opening more chapters in different states to serve more people. **NO KID SLEEPS ON THE FLOOR IN OUR TOWN!**
