Veterans Club

Last year, Veterans Club organized a coffee drive for local troops deployed Kuwait & Iraq. With the help of South families, we were able to contribute almost \$500 in coffee grounds to our troops! Over the summer, Ms. Wright received a photo of the unit we supported holding our school's donations! Thank you, South, for your selfless support & donations – the troops greatly appreciated them. Stay tuned for additional ways to support our troops throughout the year. Have a great year, Tigers!

for Parents

What is Canvas?

Think of Canvas LMS (Learning Management System) as your student's digital classroom. It's a simple, supportive system where schools provide lessons and communication to 6-12 students and parents to keep the learning going strong—both in the classroom and online.

Get Connected

For parents to "connect" with their student's account, the student must generate a Pairing Code. Codes are for one "observer", (parent/guardian) only. **If a second parent wants to access, a second pairing code must be generated by the student.**

About Standards-Based Grading

MS uses standards-based grading. This means students receive multiple grades for each course, one grade for each district standard. Any standard below 70%, is "Standard Not Met" and needs to be addressed in order to pass the course. Grades can be viewed through Canvas by logging into the [District's Canvas site](#).
