

GANS PUBLIC SCHOOLS

Safe Return Plan

2023-2024

Due to the ongoing COVID-19 pandemic, the 2023-2024 school year at Gans Public Schools may look different throughout the year. The plans listed below are subject to change as new information becomes available or if positive cases become more prevalent in the community or within our District.

LEARNING OPTIONS

- GPS is offering in-person learning for all students in grades PK-12.
- Grades 7-12 will offer full-time virtual for those students who qualify.

TRANSPORTATION

- Bus routes will run as normal, windows will be down (weather permitting) and we will do our best to spread students out on the bus.
- Buses will be cleaned and disinfected after morning routes and again when afternoon routes are complete.

VACCINATIONS

- Oklahoma Senate Bill 658, effective July 1st, 2023 restricts school districts from requiring a COVID-19 vaccine for students. State and local health departments and the CDC recommend COVID-19 vaccines for those eligible.
- Oklahoma Senate Bill 658 restricts the mandatory enforcement of masks in schools unless a state of emergency is declared by the Governor, consultation with the health department, and school board consideration.
- Masks will be recommended for students and staff.
- State and local health departments and the CDC recommend wearing mask indoors.
- Mask will be available for individuals who wish to wear one
- We will continue to follow the health department county color code.

STRATEGIES TO REDUCE RISK OF EXPOSURE

- We will social distance students in the lunch room.
- Students will be reminded to wash hands with soap and water for at least 20 seconds prior to eating, and especially after sneezing, coughing and blowing their nose.
- We have purchased ten (10) hospitable grade sprayers. These sprayers will be utilized throughout the district including lunch rooms, restrooms, locker rooms, classrooms, buses and hallways multiple times each day.
- Parents and visitors will be allowed in building lobbies or main offices for scheduled appointments.
- School sites will have the flexibility to approve volunteer activities.
