9/11  
WE REMEMBER

Greetings KTS Families,

Our students have taken advantage of a fresh start to the new year. Our elementary students are learning the routines of their new classrooms, as teachers focus on getting a deeper understanding of their newest learners and what they will need for school year. Middle school students have hit the ground running as they review some key skills from last year and begin to embark on new standards. I look forward to seeing the growth the students make throughout the next 10 months.

I am so appreciative of the partnership you all showed by being in attendance at our Open Houses which were held on Monday and Tuesday evening. Maintaining the connection between home and school is an important one, so thank you for being a part of that team.

On Monday, we will have Picture Day - I'm looking forward to seeing a ton of great smiles!

Here's to a great year!

All the best,  
Mr. Keri
