Greetings KTS Families,

As we see the leaves continue to change colors, we get to really enjoy just how much students are also changing and growing as learners. I can't believe that we have reached the end of the first marking period and trimester.

Middle school reading groups are focused on building the ability to read and respond to texts through discussion and writing. Fourth graders are working on developing their ability to develop well formed paragraphs that feature opening and closing sentences with good supporting details in the middle. Our first grade artists made beautiful leaves to reflect the warm colors we see through these chilly fall days.

I would like to shout-out to our fall sports teams who represented KTS so well. Our soccer team made it to the B-Bracket championship game, our cross country team saw increasingly better individual PRs all season and our volleyball team had a great season making into the top-4 of our league for the season.

Thank you to everyone who came to today's Halloween parade! Next week, we are excited to host our annual round of Parent/Teacher Conferences.

Have a great weekend!

All the best,
Mr. Keri
