

Homework Club 2023-24

Homework club is a voluntary time after school for students in all grades to catch up on homework.

It is held every Monday through Thursday from 2:30 – 3:30.

Help will be provided by the supervising teacher if needed.

The late bus is available as long as you live on the route. Your student may pick up a late bus permission form in the office, which lists the stops.

If you are interested in having your student join Homework Club, please sign the slip and return it to the office. Once the form is returned you do not need to send a note in with your student as this form gives them permission for the full school year.

Your student must have homework to work on if they stay for Homework Club.

_____, has my permission to stay after school for Homework Club.
(Student name – please print)

Parent Signature

Please discuss arrangements for early dismissal days due to weather or if Homework Club is cancelled for any reason, so your student knows how they will get home.
