

# Meet the teacher

## Miss Beth Moorman

### WELCOME

Greetings *Spartan* Family!

I am so excited to be a part of the Marnel C. Moorman School. I have taught at the elementary grade level for 21 years and will now work in our K-3 neighborhood as an interventionist.

### EDUCATION

Bachelor's Degree - Kentucky State University

Master's Degree - Georgetown College

Rank I - Indiana Wesleyan University

### ALL ABOUT ME

This year, my goal is to provide your child with meaningful experiences to not only enhance their learning, but to foster their love for learning.

I set high expectations and enlist your involvement so that each learner can reach their goals. "YOU are necessary!"

We will have an outstanding time learning, growing, and reflecting.

### THESE ARE A FEW OF MY FAVORITE THINGS..
