- *Board meetings follow the regulations of the Open Meetings Act, including an opportunity for public comment. Those planning to participate in public comments are kindly asked to submit a notification to address the Board three business days prior to the meeting. Notification of public comment can be made at the board of education page on the Tri-Valley website.*
- *Board retreats are special work sessions focused on accomplishing work that cannot feasibly be done in regular board meetings. The requirements of the Open Meetings Act still apply to board retreat meetings.*
