2025 Parade Guidelines– Veterans Day Parade

Guidelines:

No person without a driver's license may drive a motor vehicle on the streets of either town. (This includes under-age children and adults without driver's licenses, ATVs, motorcycles, tractors, cars, trucks, or any motorized vehicle). Sixteen- and Seventeen-year old's with licenses must have permission form signed by parent.

All drivers in the 2025 Veterans Day Parade must guarantee that they have a valid Drivers License and insurance coverage in order to be a participant in the parade.

All individuals under the age of 18 must wear a protective headgear that is properly fitted and fastened, is designed for motorized vehicle use and that has a minimum United States Department of Transportation safety rating when riding in or on off- highway vehicles in parades.(Refer to A.R.S. 18-1179 & A.R.S 28-964)

Drivers of vehicles pulling floats must be able to see that all individuals are safely seated when the float is in motion.

If the driver cannot see the float, he or she must assign a responsible adult to sit on the float and visibly watch.

The responsible person must have a means to communicate with the driver (by open window, walkie-talkie, phone) to inform the driver that all individuals are in place before moving the vehicle.

Parade participants are encouraged not to throw any items (candy) from any float. We advise having a volunteer walk beside the float and hand items to spectators watching the parade.

Water Balloons and water guns are NOT to be used by parade participants. This will be enforced anyone caught during the parade will be escorted out of the parade.

The driver of a parade entry takes full responsibility for ensuring individuals riding in his or her vehicle or float follow the above guidelines.

The Town's of Eagar and Springerville will not allow entries that promote violence, bullying or negativity of any individual or organization. If this rule is broken the entry will be pulled from the parade.

I acknowledge that I am the person that is responsible for _____
