

SAFE SCHOOLS

Pursuant to C.R.S. 22-32-109.1(2)(B), the following information shall be included in the annual safe schools report from the principal to the Board of Education for the preceding school year:

total enrollment for the school

average daily attendance rate at the school

dropout rates for grades seven through twelve, if such grades are taught at the school

average class size for each public elementary, middle school or junior high school, and senior high school calculated as the total number of students enrolled in the school divided by the number of full-time teachers in the school

Note: "Full-time" teacher means a person who is licensed or authorized by a letter of authorization to teach, and is primarily engaged in teaching during a substantial majority of the instructional minutes per school day.

number of conduct and discipline code violations, including but not limited to specific information on the number of and the action taken with respect to each of the following types of violations:

carrying, bringing, using, or possessing a dangerous weapon on school grounds, in school vehicles, at school activities, or sanctioned school events without the authorization of the school or the school district

use or possession of alcohol on school grounds, in school vehicles, or at school activities or sanctioned events

use, possession, or sale of a drug or controlled substance on school grounds, in school vehicles, or at school activities or sanctioned events

use or possession of tobacco products on school grounds, in school vehicles, or at school activities or sanctioned events

being willfully disobedient, openly and persistently defiant, or interfering with the orderly flow of information in a classroom

commission of an act on school grounds that is committed by an adult would be considered criminal assault, other than third degree assault

behavior on or off school property that is detrimental to the welfare or safety of other students or school personnel, including behavior that creates a threat of physical harm to the student or to other students

willful destruction or defacement of school property

repeated interference with the school's ability to provide a safe environment and educational opportunities for other students

commission of an act on school grounds that, if committed by an adult, would be considered robbery

other violations of the code of conduct and discipline that resulted in documentation of the conduct in a student's record

For purpose of the report, "action taken" means the specific type of discipline, including but not limited to the following categories of discipline:

in-school suspension

out-of-school suspension

classroom removal in accordance with board policy

expulsion

referral to a law enforcement agency

any other form of discipline, which shall be officially identified as part of a board policy.

The report shall specifically identify each conduct and discipline code violation and each action taken with respect to the violation by a student with a disability.
