

USE OF PRIVATE VEHICLES ON SCHOOL BUSINESS

The Board of Education recognizes that transportation is a problem and that school-owned vehicles are not always available. When staff members must use their own vehicles for transportation to an approved function, the district will reimburse at the district adopted rate.

ADOPTION DATE: Revised and Adopted April 30, 1984

REVISION DATE: April 17, 1996

CROSS REF.: EEAE, Student Transportation in Private Vehicles
