

FREE AND REDUCED PRICE FOOD SERVICES

The district shall take part as feasible in the National School Lunch Food Program to assure that all children in the district receive proper nourishment.

The administration shall establish rules, regulations, and procedures which conform with state and federal requirements regarding participation in the program. Such regulations shall be presented to the Board from time to time for its approval.

ADOPTION DATE: January 15, 1985

REVISION DATE: April 17, 1996
