

ADMINISTRATIVE STAFF ASSIGNMENTS AND TRANSFERS

A teacher who holds an administrative position may be assigned to another position for which he is qualified with a reduction in salary if a vacancy exists in such position and, if so assigned, with a salary corresponding to the position. The Board may consider the years of service accumulated while the teacher was occupying the administrative position when the Board determines where to place the teacher on the salary schedule.

The three school years of continuous employment required for the probationary period is not deemed to be interrupted if a probationary teacher accepts the position of superintendent. However, the period of time during which a probationary teacher serves in such capacity shall not be included in computing the probationary period.
