

HIV/AIDS Education
(Exemption Procedure)

1. Exemption will be granted from the HIV/AIDS education curriculum on the grounds that the material taught is contrary to the religious beliefs and teachings of the student or the student's parent/guardian. If the request for the exemption is from a specific portion of the HIV/AIDS education curriculum that concerns human sexuality, no reason must be given by the parent/guardian when requesting the exemption.
2. A request for exemption must be submitted in writing to the principal at least ten school days in advance of instruction for which the exemption is requested.
3. The principal will confer with the teacher to determine the length of time a student will be exempt. The teacher will develop an alternative activity for which the student will receive credit.
4. The principal or teacher will inform the parent/guardian of disposition of the request within ten school days of receipt of the request.
