

Early Graduation

It is the policy of Burlington School District RE-6J that all students attend high school 4 years. In extreme cases, students may finish at the end of their 1st semester of their 4th year in high school. Anyone wishing to graduate in mid-year must have approval of the principal one semester in advance - the sequence of graduation requirements may be altered only by the principal with Board approval, and only in extreme cases.

ADOPTION DATE: January 12, 1984

REVISION DATE: March 19, 1997
