SAFETY Drill

Our Safety Drill for October was a FIRE DRILL. We practiced this skill while our 4th graders were in their specials class. We emphasized staying calm, stopping, looking and listening to the nearest adult and being quiet during the drill so staff could hear any directions given to them through the radio. Our Bobcats did great. We will have a "Stay Put" drill in November.

Student of the Month

Each month our classroom teachers choose a Student of the Month based on a list of exemplary traits that characterize outstanding Bobcats. The list includes a positive attitude, self-control, integrity, enthusiasm for learning, accountability, compassion for others, respect, good citizenship, being kind, encouraging others, honesty, grit and perseverance. Classroom teachers submit the name of the student along with a paragraph detailing why they were chosen as Student of the Month. A student photograph and the paragraph are posted in the building. Nice job Bobcats!

Congratulations to these students and a High Five to all those who ran for office. You make us proud, Bobcats!

Thank You, Families

Thank you to all the families who attended Parent/Teacher Conferences. It's great to show you all the wonderful things your children are doing and learning.

Friday Lunch and a Movie

Great lunchroom behavior earns our students "Friday Lunch and a Movie". In November we will finish "Mulan" and begin watching "Brave".

Clothing Donations

The Bobcat Closet is in need of **pants for boys!** If your child has had a growth spurt or you have pants to get rid of, please consider donating boys pants size 8-14. You can drop them off at the front office or send them to school with your child.

Playground Donation

Gavin Strike and his family, donated balls for the playground and an electric ball pump. These balls will be available to play with during recess.

Thank you, Strike family for the wonderful donation! Our students are grateful.

4th Grade Athlete of the Month

MARSHALL SWIFT

Marshall is always ready to move! We only have 30 minutes for PE, yet Marshall treats every second like an opportunity. He pushes himself by squeezing in as many reps of an exercise, competes with great effort in all our games, and is a strong supporter of his peers. Keep an eye on this athlete; I can't wait to see what Marshall achieves for Lander sports!

5th Grade Athlete of the Month

EDITH EAGLE

Edith's energy is infectious the moment she enters the gym. She comes in ready, wearing her 'game face'—a blend of bright smile and focused determination—eager to tackle the day's lesson. Sawyer is the whole package: she puts forth excellent effort, is a fantastic teammate who cheers on others, and shows a genuine commitment to building her fitness and strength. Keep that spirit up, Edith! High five!

Blazin' Bobcat Reward

Each quarter, students who are participating in our Blazin' Bobcat Mileage Club can earn a fun and active reward. To be eligible, students must walk or run 7 miles in a targeted time span. For the first quarter of school 40% of our students walked or ran more than 7 miles making them eligible for the Ultimate Dodgeball Reward. Students are already earning miles toward our next reward. They have until December 18 to earn their miles to go to our Ice Skating Reward.

WALK

RUN

4th Grade

During the first six weeks of school, the fourth graders did a great deal of learning around community building. They focused on three traits that are hallmarks of a positive community member—encouragement, communication, and cooperation. As a culminating activity, the classes cooperated to write a paragraph about these qualities.

“What are three things we can do to be a positive member of a community?”

Mrs. Dayton’s Class

Three things we can do to be positive members of our community are communicate, encourage, and cooperate. The first thing we have to do to build a community is learn how to communicate. We have to share our ideas, thoughts, and opinions. By communicating, we can share and understand ideas. In addition, encouragement is another important trait to practice in life. Supporting our community, saying kind words, and helping people to be their best is essential. When we encourage others, we build trust and build strong relationships. Lastly, cooperation is when there is teamwork, everyone participates, and works together toward a shared goal. We want our community to show respect, encourage others, and to persevere even when things get difficult. In conclusion, communication, encouragement, and cooperation are important actions that lead to an effective community. By practicing these traits, our schools, neighborhoods, and families will be more positive.

Our 4th Grade took a fieldtrip to Sinks Canyon on October 30. This trip was filled with learning about science and social studies. The Sinks Canyon State Park staff taught our students about geology, the weathering of rocks and how Sinks Canyon was formed.

In Social Studies, our 4th graders have been learning about the Native American regions of the Great Plains, the Northwest Coast, California Intermountain, the Southwest, the Plateau, the Eastern Woodlands and the Southeast. Today they will be discussing how the environment and the climate of Sinks Canyon would impact the type of shelter, transportation, and food the tribe would eat.

4th grade is reading *Naya Nuki*. Ask your 4th grader about the book. Could the setting for the book be Sinks Canyon?

Look forward to the December Bobcat Bulletin with photos from this outdoor event.

BCE Artist of the Month

Ashreen Caballas

Ashreen is this month's Artist of the Month. She is a quiet and hardworking student who always does her best. Ashreen carefully follows directions and puts great effort into every project. Her focus and dedication make her a wonderful example for others in the art room.

Congratulations, Ashreen!

*Ashreen is a 5th grade
student in
Ms. Gibson's class.*

BCE Artist of the Month

Mack Bauer

Mack is this month's Artist of the Month. He is a quiet and thoughtful artist who takes his time and shows great care in his craftsmanship. Mack always listens carefully, follows directions, and puts his best effort into every project. His focus and positive attitude make him a wonderful role model in the art room. Keep up the amazing work, Mack!

*Mack is a 4th grade
student in
Mr. P's class.*

FCSD#1 Parent Night

Are mornings so chaotic that you are late getting your kids to school?

Do you just wish those bedrooms weren't so disorganized they might just erupt.

Do conversations jump from jokes to tears and your child isn't even a teenager yet?

Would a little spot of flexibility go a long way in making your evenings and mornings more pleasant?

Do you just want your child's

without hollering?

We'd love to teach you some skills to help with this chaos.

Plan to attend our Parent Night

Thursday, November 13
