

Imagine the Places You'll Go - 2024 Scholarship

Sponsored by Cruise Planners

About Cruise Planners in Hiawatha, KS

Cruise Planners is a Hiawatha based travel agency franchise owned by Jen & John Hoschouer. The Hoschouers moved to Hiawatha in August 2019 with 3 of their 4 children. They absolutely adore this town and so far it's their favorite place to call home. Along with their love of small town Kansas they believe that the most beautiful thing in this world is the world itself. Their passion for wanting to give their kids the world led them to start a travel agency here in Hiawatha so they can help their friends and neighbors do the same.

About the scholarship

Cruise Planners wants to help graduating high school students follow their dreams, regardless of where they came from or how easy or hard their life has been. They are offering a \$500 scholarship to one graduating high school (public, private, home or online) student living in Brown County, Kansas. The only other requirement to apply for this scholarship is that you have to have a dream (or at least make one up).

You were born to do great things, but the only way to get there is to choose a direction and start walking.
