We are so excited to have this program at Bradley Elementary. This national program was started to get father figures into schools to provide support for students and extra security. Watch D.O.G.S. at Bradley, follow an individualized schedule for the day that provides the opportunity to assist in various classrooms, interact with students at lunch & recess, patrol our campus, and help with arrival & dismissal procedures.

We would love for you to join our Watch D.O.G.S family! Please click on the link if you are interested in making a positive difference in the lives of our Bears.
