Access Requested by Parent and Guardian

As the parent or guardian of this student, I have read the Terms and Conditions of Williamsburg Independent School's Acceptable Use Policy. I understand that this access is intended for educational purposes, and Williamsburg Independent Schools will not condone access to material that is considered controversial. However, I also recognize WISD can't restrict access to all controversial materials, and I will not hold them responsible for materials this student may acquire on the network. Further, I accept full responsibility for supervision if and when my child's use is not in a school setting. I hereby give my permission for the student named above to use Williamsburg Independent School's Internet, Video/Digital pictures, E-Mail, and telephones, and certify that the information contained on this form is correct.

At Williamsburg Independent School District, we use Google Workspace for Education. We are seeking your permission to provide and manage a Google Workspace for Education account for your child. Google Workspace for Education is a set of education productivity tools from Google. This includes Calendar, Docs, Classroom, and more. At Williamsburg Independent School District, students will utilize their Google Workspace for Education accounts to complete assignments, log in to their Chromebooks, and acquire 21st-century digital citizenship skills.
