

## WHY IM RUNNING

I am running for school board because I care deeply about this school, our students, and our community. I want to be someone who listens, who shows up, and who works together with parents, staff, and community members to make thoughtful decisions.

As both a parent and someone who has been a student and staff member here, I bring a unique perspective and a genuine commitment to doing what is best for our kids.

## WORK IN THE COMMUNITY

I have always worked in this community since I was old enough to work. I believe in giving back to the community you live in and helping support the local economy. I have worked at multiple local businesses including the St. George School!

Desirae Meibaum

My name is Desirae Meibaum, and I am running for a seat on the school board! I am fortunate to be able to say I live here in St. George with my husband and our two children. Our son Parker who is in the pre-K program and our daughter Avery who will be attending within the next two years. I grew up in this school, and I love that my children will also grow up in this school! This school holds a special place in my heart.
