

## Candidate Summary: Ryan Miller

### Candidate for St. George Select Board

---

#### A Lifetime of Commitment to St. George

For 48 years, St. George hasn't just been where I live—it's been my life. As a lifelong resident, business owner, and father, I am deeply invested in the future of our town. I am running for the Select Board to bring a common-sense, working-man's perspective to our local government and to ensure our community remains a place where families can afford to live and work.

---

#### Experience That Matters

My background is rooted in hard work, small business management, and dedicated service to this community:

- **40 Years as a Local Lobsterman:** Four decades of dedication to the backbone of our coastal economy.
  - **30 Years as Captain & Business Owner:** For three decades, I have successfully operated my own boat and business. I understand the complexities of managing budgets, navigating regulations, and the responsibility of being the "buck stops here" decision-maker.
  - **Community Service:**
    - Served **8 years** on the St. George Fire Department.
      - Served **3 years** on the Harbor Committee.
    - **Industry Involvement:** Served **6 years** on the Zone D Lobster Council, advocating for the interests of our local fleet.
    - **Family Man:** Proud father of a 4th grader at St. George School and stepfather of a 16-year-old at Camden Hills Regional High School.
- 

#### Key Priorities

Priority	My Commitment
----------	---------------

<b>Protecting Our Harbors</b>	Advocating for the maintenance and modernization of our town-owned waterfront facilities and ensuring fair, sustainable access for all users.
<b>Working Waterfront Resilience</b>	Protecting the shoreline and access points that support our commercial fishing and marine industries against rising costs and climate impacts.
<b>Fiscal Accountability</b>	Bringing the discipline of a small business owner to the town budget—prioritizing essential services and spending every tax dollar wisely.
<b>Supporting Our Schools</b>	Championing a high-quality, transparent, and neutral educational environment for our children in St. George and our local high schoolers.

---

### Why Vote for Ryan Miller?

I've spent 40 years on the water and 30 years at the helm of my own business. I know how to listen, I know how to lead through a storm, and I'm not afraid to stand up for our town's residents. I'm not a career politician—I'm your neighbor. I promise to be a voice for transparency and to represent the hardworking people who make St. George the community we love.
