

Requesting College Transcripts

Students who have taken college courses in high school through UW-Oshkosh, UW-Green Bay, Madison College, or Blackhawk Technical College will need to request their transcripts through the university/college for their college applications. Often there will be a link from the student's college portal (i.e. TitanWeb with UW-Oshkosh, myMadisonCollege Portal for MATC, etc). They can also access Parchment (a secure online document system used by many colleges) with the links below.

Transcripts can only be requested by the student & they will need their social security number to make the request.

For CAPP Physics (Physics 171), CAPP Pre-Calculus (Math 108), CAPP Calculus (Math 171), CAPP Writing 101 & 201, CAPP Literature 250, & CAPP Psychology:
