Address: _____ Major: _____

Email: _____ Phone Number: _____

Please list the KAY activities you took part in and any leadership roles you had in the organization.

In an attached essay of 1-2 pages double-spaced, please let the scholarship committee know a little about your background and what your plans are after high school: Where are you going? Have you been accepted? What do you ultimately hope to do after furthering your education? In addition, please tell us why you feel that KAY is important not just to one or more of the areas KAY influences (school, community, nation, world), but also why this club is important to you personally, and how it might even help with your future endeavors.

The scholarship committee will evaluate your involvement with the club, your essay, your resume, and overall neatness and completeness of the application in order to help determine scholarship winners.
