

David Swarts Memorial Scholarship

David Swarts was born in Herington, KS on November 17, 1952. He attended local schools and graduated from Abilene High School with the class of 1970. He was an army veteran and had served in the National Guards for 17 years. David enjoyed many aspects of life, including being on his motorcycle and his family. He had the most contagious smile and humbling personality you could find. He was diagnosed with ALS in 2010. He fought a battle against the disease for a year until we lost him. We miss him everyday. In honor of him, we decided to start a scholarship in memory of him for students. David Swart's family has established one scholarship of \$250 in his honor.

Our grandpa was hands down one of the most influential people in our lives. He taught me a lot of valuable things in life and for that became my hero. So with that being said, please write about someone in your life who was inspiring to you. Tell me why and give me an idea of how they shaped you as a person.
