# Virtual Day Learning Expectations

In the event of inclement weather, a virtual learning day will be initiated no later than noon the day before. BCTC will implement a virtual learning day in conjunction with the Bedford and Everett member school districts. Students are expected to complete the virtual learning assignment by logging in to Schoology on the virtual day between 8AM and 3PM. Students will receive a grade for the assignment and will be marked present for the virtual day if they submit the assignment (virtually or on paper) immediately upon return to school the next day. Failure to complete the assignment on time and login to Schoology will result in the student marked absent for the virtual day. The absence will be recorded as unexcused unless the parent provides a valid excuse within 3 school days.

Student Expectations:

- Students are expected to login to Schoology between 8AM and 3 PM to complete their virtual day assignment.
- The assignment must be submitted electronically or on paper immediately upon return to school the next day.
- Students who do not have reliable internet access at home will be provided with a paper assignment to complete and submit immediately upon return to school the next day.
- **Attendance**: students must login to Schoology between 8AM and 3PM during virtual day and submit the electronic or paper assignment(s) immediately upon return to school. Students who fail to submit assignment on time and fail to login to Schoology between 8 and 3 of the virtual day will be marked absent for the day.

Parent Expectations:

- Remind child of the expectation to log on to Schoology during virtual day and complete virtual lesson and assignment.
- Provide a written excuse if child is not able to complete the virtual school day assignment(s).

Teacher and Staff Expectations:

- Be available to answer questions via email or through Schoology and provide support during virtual day from 8:00 to 12:00 and from 1:00 to 3:00.
- Provide paper assignments to students who do not have reliable internet service at home.
- Report to office any student who does not submit their virtual assignment immediately upon return to school the next day. The student will then be marked absent for the virtual day.
