Dear Members of the Manatee County School Board and Community,

As a graduate of Manatee County Schools, it is with great enthusiasm that I respectfully submit my application for the position of Superintendent. Our community deserves a servant leader with a proven record of system-level leadership, community engagement, and a strong focus on school improvement. If selected, I will leverage my experience to lead with clarity and transparency, fostering student success.

Throughout my career, I have focused on transformational education, utilizing data analytics for fiscally responsible decision-making tied to a positive return on investment. My career path has awarded me with the skills necessary to manage comprehensive educational programs, including ESOL, ESE, Federal Programs, Early Childhood, Curriculum, and Student Services. As noted in my resume, my leadership has consistently led to growth both in terms of academics and staff development.

In my current role, I oversee an annual budget of approximately \$40 million, ensuring compliance and alignment with district objectives. I collaborate with principals, district departments, community groups, and parent leaders to develop and implement student support programs and family engagement opportunities. Additionally, I coordinate and monitor student services including psychological services and crisis response, with a strong emphasis on ensuring the safety and security of students and staff.

As Executive Director for Curriculum, Instruction, and Assessment, I focused on enhancing student achievement and school performance through strategic resource utilization. I led cross-functional support teams, developed budgets, and prepared annual district-wide analyses of student achievement.

During my tenure as Principal of Sarasota Middle School, I supervised a 1,100-student middle school, prioritizing academic excellence and expanding student opportunities in Career and Technical Education and Arts programs. In the 2020-2021 school year, the school achieved growth, maintaining A-letter grade points, and increasing overall points in math and English Language Arts despite the challenges of offering both in-person and hybrid learning options.

My experience in educational leadership, coupled with my dedication to fostering a culture of continuous improvement, positions me as an ideal candidate for this role. I am passionate about driving student success, narrowing achievement gaps, and building trusting relationships with the School Board, district leaders, teachers, staff, community, parents, and students. The opportunity to serve as Superintendent for the School District of Manatee County excites me, and I am eager to bring my vision for the future and strategic planning skills to this esteemed role.

Thank you for considering my application. I look forward to the possibility of contributing to the continued success and growth of the School District of Manatee County.

Sincerely,

Laurie Breslin

Dear Members of the School Board,

It is with great enthusiasm and confidence that I write this letter in strong support of Dr. Laurie Breslin for the position of Superintendent of Schools in Manatee County. I have had the distinct pleasure of working alongside her and witnessing firsthand her remarkable dedication to educational excellence, strategic leadership, and unwavering commitment to student success.

Throughout her tenure at the School District of Sarasota County, Dr. Breslin consistently demonstrated a forward-thinking, data-informed approach to educational leadership. As Executive Director of both Student Support and Family Engagement and Curriculum, Instruction, and Assessment for Manatee County, she has led with clarity, compassion, and an unshakable vision for equity and academic excellence.

What sets Dr. Breslin apart is her rare ability to blend instructional leadership with operational expertise. She has expertly overseen multimillion-dollar budgets, built cross-functional teams to address the needs of diverse learners, and successfully aligned resources to support systemic improvements across schools. Her impact has been tangible—elevating school performance, deepening community engagement, and ensuring alignment with both district and state priorities.

In every role—from classroom teacher to Executive Director—Dr. Breslin has remained rooted in the belief that student growth and well-being are paramount. She inspires those around her to strive higher, think more ambitiously, and serve more effectively. Whether leading school improvement initiatives, engaging families as true partners in education, or mentoring future leaders, she has shown unwavering integrity and a passion for inclusive, transformative education.

Manatee County deserves a superintendent who can lead with purpose, listen with empathy, and act with courage. I can say with complete confidence that Dr. Breslin embodies all of these qualities and more. She would serve the district with distinction and vision.

Please feel free to contact me should you require any additional insight or information. I give my highest recommendation for Dr. Breslin and hope you will give her your full consideration.

Sincerely,

Dr. Brandon Johnson

RE: LETTER OF RECOMMENDATION

Dear Board,

As President of the Manatee Education Foundation, it has been my pleasure to work with Dr. Laurie Breslin for well over a decade. During that time, we have successfully collaborated on many worthwhile grants and important projects. She has always been very accessible and strategic in her direction and guidance when working together on programs. There is always good, solid communication and innovation when working with her. Laurie has a wide range of community connections and utilizes those connections to help improve our school district. Building strong partnerships with the community is a cornerstone for a great leader. In all my 18 years working closely with the district I have not witnessed a better candidate for Superintendent. Dr. Breslin is a unifier and would promote goodwill, improve district morale and lead by example.

Dr. Breslin cares deeply about good education and has worked closely within the school district, our foundation, and the community to make sure our children are receiving an exemplary education. She understands the importance of early learning, Steam, literacy and works diligently with the school district and MEF on many programs like "Soar in 4". Plus, she has spearheaded many other educational programs that we have worked on together throughout the years. They include the following: Resiliency Through Community, United Way Suncoast Foster Care, and Reframing Family Engagement. She has built a solid reputation at the Manatee County School District and is willing to build on her strengths to lead us into the next chapter. She knows our community, grew up in Manatee County and is from a family of educators. It's time to finally have someone that knows Manatee County. In my 18 years at the Foundation, all of the superintendents have lived in another area and did not know our community at all. Laurie knows Manatee County and that will serve us well!

Over the years I have watched Dr. Breslin initiate new opportunities for our district. Tirelessly working to attain valuable programs and staff to work alongside. She is truly a trailblazer and leader when it comes to creating these programs that support our children and their families in Manatee County. Hopefully, we will see more exciting things to come from her if selected, as she builds our School District into a regional and state model school district. Dr. Breslin has the vision to pull all the departments together in the district and help improve, thrive and succeed in the future. I strongly recommend Dr. Laurie Breslin for the position of Superintendent of the Manatee County School District.

Thank you in advance for your consideration.

Sincerely,

Mary M. Glass, President, Manatee Education Foundation

To Whom It May Concern,

It is a privilege to recommend **Dr. Laurie Breslin**, a remarkable leader, mentor, and unwavering advocate for students and families in Manatee County. Her deep commitment to education and community well-being has made a lasting impact on countless lives and institutions—including ours at Take Stock in Children of Manatee County.

Dr. Breslin has served with distinction on our Board of Directors and most recently held the role of **Co-Chair**, where her leadership, insight, and collaborative spirit helped guide our organization through significant growth and development. In addition to her governance role, she has generously served as a **mentor to students in our program**, offering not only her time, but her heart, wisdom, and encouragement to those she supports. She is a trusted and compassionate presence in the lives of our scholars.

In her capacity as **Executive Director of Student Support & Family Engagement for the School District of Manatee County**, Dr. Breslin leads critical initiatives that elevate student success and family involvement across the district. Her work has advanced early childhood education, improved third-grade reading outcomes, expanded hands-on learning opportunities, and driven improvements in policies serving students with special needs. Her leadership is both visionary and grounded in the real, everyday needs of students and families.

Perhaps most notably, Dr. Breslin has been an essential **bridge between the School District and Take Stock Manatee**, helping to cultivate a strong, mutually supportive partnership that benefits the broader community. Her ability to foster collaboration across systems while always keeping students at the center is unmatched.

Dr. Breslin is a leader of integrity, compassion, and impact. It has been an honor to work alongside her, and I hold her in the highest regard.

Sincerely,
