WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

November 2023

Here's an update on the progress we've made on our bond program this month.

New Elementary PreK-6 Building

- We continue to mark off a small punch list of items.
- We resolved the water issue from the previous week.
- We are still working on moving the playground equipment, which includes some additional paving and drainage.

Athletic Improvements/Stadium

- We continue to add sod to some areas to ensure they are ready for play and practice this spring and next fall.
- Concrete work is continuing by the concession stand and press box.
- The existing concrete has been coated.
- We updated the steps on the home side.
- We completed the roof on the concession stand and restrooms. The new restrooms are still in progress.
- Fencing work continues.
- Work on field event stations is ongoing (long jump, shotput, discus, etc.).
