SPORTSMANSHIP/CITIZENSHIP RULE 52

Activities are an important aspect of the total education process in the American schools. They provide an arena for participants to grow, to excel, to understand and to value the concepts of SPORTSMANSHIP and teamwork. They are an opportunity for coaches and school staff to teach and model SPORTSMANSHIP, to build school pride, and to increase student/community involvement; this ultimately translates into improved academic performance. Activities are also an opportunity for the community to demonstrate its support for the participants and the school, and to model the concepts of SPORTSMANSHIP for our youth as respected representatives of society. Sportsmanship is good citizenship in action!

KSHSAA EJECTION POLICY

Any participant (player, coach, spectator) who is ejected for making contact with an official, who is ejected for unsporting behavior directed toward an official, or who negatively confronts an official following a contest, shall be subject to a non-appealable suspension from the next contest at that level and for all contests at any level (in that activity) until the suspension has been served. Local school leadership may levy additional sanctions as they deem appropriate. The KSHSAA staff reviews all ejection reports.
 Adopted KSHSAA Executive Board, June 2021 Amended November 2021
